CHAPTER 1: BURNT MOUNDS: AN INTRODUCTION **1**
1.1 Pyrolithic technology and burnt mounds in Ireland 2
1.2 Burnt mounds: a new direction 4
1.3 Sources of information 6
1.4 Book structure 10

CHAPTER 2: A HISTORY OF BURNT MOUND RESEARCH IN IRELAND **11**
2.1 The evidence of early Irish literature 11
2.2 Antiquarian interest 12
2.3 Approaches during the mid-to-late-twentieth century 16
2.4 Burnt mounds and infrastructure archaeology 18
2.5 Burnt mound discoveries: statistics and distribution 20
2.6 Recovery environment 25
2.7 Just another burnt mound? 30

CHAPTER 3: PYROLITHIC TECHNOLOGY: THE INTERNATIONAL CONTEXT **33**
3.1 Pyrolithic technology as a global phenomenon 33
3.2 Prehistoric burnt mounds in Britain 34
3.3 Prehistoric burnt mounds in Northern Europe 46
3.4 Pyrolithic technology in indigenous societies 50

CHAPTER 4: THE ARCHAEOLOGY OF BURNT MOUNDS IN IRELAND **53**
4.1 Introduction 53
4.2 Morphology and site layout 53
4.3 Burnt mounds 55
4.4 Hearths and fires 64
4.5 Troughs 67
4.6 Water-channels 82
4.7 Pits 85
4.8 Wells/cisterns 89
4.9 Stone paths and timber trackways 93
4.10 Platforms and working surfaces 95
4.11 Ancillary structures 98
4.12 Other stake and post-built structures 104
4.13 Enclosures 108
4.14 Site classification 109
4.15 Conclusion 114

CHAPTER 5: CHRONOLOGY **115**
5.1 Introduction 115
5.2 The dating of burnt mounds 115
5.3 Overall chronology 119
5.4 The beginnings of the burnt mound tradition 120
5.5 The Bronze Age tradition 125
5.6 The Iron Age tradition 131
5.7 A Medieval tradition? 135
5.8 Site histories: phasing and internal chronologies 137
5.9 Scenarios of re-use 144
5.10 Conclusions 152

CHAPTER 6: THE USE AND SOCIAL SIGNIFICANCE OF BURNT MOUNDS 155
6.1 Introduction: approaches to site function 155
6.2 Literary and archaeological sources 155
6.3 The cooking site theory: practical considerations 156
6.4 Cooking facilities 162
6.5 Experimentation 165
6.6 The social context of pyrolithic cooking in prehistoric Ireland 166
6.7 Other domestic uses and social gatherings 170
6.8 Burnt mounds as industrial and craft-working sites 176
6.9 Burnt mounds as ritual sites 179
6.10 Conclusions 186

CHAPTER 7: SETTLEMENT CONTEXT 187
7.1 An archaeology of burnt mound settlement 187
7.2 Burnt mounds as indicators of prehistoric settlement 188
7.3 Burnt mounds as domestic space 195
7.4 Material culture and depositional practices 198
7.5 Landscape context: burnt mounds and prehistoric settlement 203
7.6 Conclusion 208

CHAPTER 8: CULTURAL CONTEXT: THE *LONGUE DURÉE* OF THE BURNT MOUND PHENOMENON 209
8.1 Introduction 209
8.2 Hot stones in Mesolithic Ireland 210
8.3 Burnt mounds in Neolithic Ireland 211
8.4 Burnt mounds in Bronze Age Ireland 215
8.5 Iron Age Ireland: the end of pyrolithic water-boiling 218
8.6 Burnt mounds in later periods 220
8.7 Conclusions 222

CHAPTER 9: RECONSIDERING THE BURNT MOUND PHENOMENON 225
9.1 Introduction 225
9.2 The *longue durée* of burnt mounds in Ireland 227
9.3 Beyond the boom: the future of burnt mound research 230

BIBLIOGRAPHY 235

APPENDIX 1: Additional tables 259
APPENDIX 2: List of excavated burnt mounds in Ireland 1950–2010 295
